

## **E-Resources Remote Access Guide (Off Campus Access Guide)**

To have remote access of the KMC online resources , follow the steps.

1. Send a request to [kmc@nid.edu](mailto:kmc@nid.edu) from your nid e-mail Id only to have remote access .

Mention the no. of days to have remote access and reason (Internship/Project work etc.) in the mail.

2. On receiving the request we will register your name for Remote Access and you will get a mail with a subject "Athens account created, activation required" and you will receive Athens users name and password for Remote Access of some of our E-Resources. You can access the same while you are not on the campus. To find such mail, find in your mail box as Eduserv

3. Now click on that link & generate your own password.
4. Then go to Open Athens website [www.openathens.net](http://www.openathens.net)
5. Enter your username & password you have generated.
6. Click on login & you will enter your My Athens login Home page.
7. Now click on the resource name and access the content.
